❖ An approved waiver and vendor license agreement are required before arrangements with an off-campus caterer can be contracted.

❖ No outside food or beverages may be served in the Student Union, Rendezvous Complex, or on the campus of Idaho State University unless provided by Chartwells or with the permission of Chartwells through an approved catering exemption request.

❖ Catering Exemption Request forms are available for recognized student organizations for their regularly scheduled meetings where members of the public are not invited. Anything under \$100.00 will not need a Catering Exemption Request (pizza from Little Caesars for example)

❖ Approved/denied catering exemption requests should be completed and signed off by Chartwells and turned in along with your Event Registration Form to the Office of Student Organizations.
