

**PLEASE SUBMIT ALL ORDERS USING THE LINKS TO
FRAGMENT ANALYSIS OR DNA SEQUENCING FROM THE
SAMPLE SUBMISSION PAGE ON OUR WEBSITE www.mrcf.isu.edu
If you are not a current GeneSifter Lab user, please complete and submit the GeneSifter
Registration Form from the Sample Submission page on our website www.mrcf.isu.edu
INCLUDE A HARD COPY OF THIS JOB REQUEST FORM WHEN
YOU SUBMIT YOUR SAMPLES. THANK YOU.**

ISU Molecular Research Core Facility Job Request Form	
Service Requested	Number of Samples
Sequence reactions and processing on AB 3130XL DNA sequencer	
DNA quantitation	
Fragment analysis processing on 3130XL DNA sequencer (includes size standard)	
Other	
Date _____ Your Name _____ Phone# _____	
Lab PI _____ GeneSifter Tracking# _____	
Account/PO# _____ Email address _____	

Has DNA been quantitated?
DNA Type (please circle DNA type)

Yes _____ No _____
 Plasmid _____
 PCR product – size in bp _____
 Other _____
