Payroll Information

Our next **pay period ends August 8.** Please be sure to **submit your time by Monday, August 10 at 12 NOON.** This gives **your approver time to approve your time card and fix any problems by August 11** when time cards are due to Payroll. If you have employees working for you, you need to make sure they are submitting their hours and that you are approving their time cards on time. Time cards need to be submitted and approved on time for everyone to get their pay checks when they expect them. In the past late time cards were accepted, but with the new system they are not. If you have **questions about Web Time Entry,** go to the following link for answers.
