

## **Description of Expectations of BYRP Students**

Students must write a letter outlining their interests in science.

Students must have at least one recommendation.

Students will obtain permission to join the program from parents or guardians.

Students will sign up for at least one credit per semester at ISU at the special rate of \$55/credit to participate in the program.

Students are expected to participate in research for at least 3 hours per week per credit.

Students will negotiate weekly schedules with mentors and have the schedules approved by their parents or guardians.

Students will perform the research tasks with their mentors.

Students performing unsatisfactorily will be warned once before the grading period is over. Students not improving their performance after the warning will receive an unsatisfactory grade and be dropped from the program.

Students will not leave designated research areas without an accompanying mentor, or permission of the mentor.

Students will be trained in safety procedures and follow those procedures at all times.

Students are required to provide appropriate clothing and footwear for field research.

Any problems or conflicts will be immediately dealt with by contacting either the program coordinator.

Students are expected to be motivated, reliable, behave responsibly and act professionally.

No alcohol or illegal substances will be allowed, immediate removal from the program and an unsatisfactory grade will result.

*I HAVE READ AND UNDERSTAND ALL THAT IS EXPECTED OF ME TO PARTICIPATE IN THIS PROGRAM.*
