

A Checklist of the Herpetofauna of the Portneuf River Ecosystem

Sources: Wilson, L.O. 1975. Distribution, season of use and habitat of the mammals, birds, reptiles, amphibians and fishes of Idaho. Bureau of Land Management, Boise. Digital Atlas of Idaho - <http://imnh.isu.edu/digitalatlas/>

Amphibians

ORDER URODELA (Salamanders and Newts)

Family Ambystomatidae (Mole Salamanders)

___ *Ambystoma tigrinum* Tiger Salamander

ORDER ANURA (Frogs and Toads)

Family Bufonidae (True Toads)

___ *Bufo boreas* Western Toad

Family Pelobatidae (Archaic Toads)

___ *Scaphiopus intermontanus* Great Basin Spadefoot Toad

Family Hylidae (True Tree Frogs)

___ *Pseudacris maculata* Boreal Chorus Frog

Family Ranidae (True Frogs)

___ *Rana catesbeiana* Bullfrog

___ *Rana pipiens* Northern Leopard Frog

Reptiles

ORDER LACERTILLIA (Lizards)

Family Crotaphytidae (Crotaphytids)

___ *Gambelia wislizenii* Longnose Leopard Lizard

Family Phrynosomatidae (Phrynosomatids)

___ *Phrynosoma douglassi* Short-horned Lizard

___ *Sceloporus graciosus* Sagebrush Lizard

Family Scincidae (Skinks)

___ *Eumeces skiltonianus* Western Skink

Family Teiidae (Teids)

___ *Cnemidophorus tigris* Western Whiptail

ORDER SERPENTES (Snakes)

Family Boidae

___ *Charina bottae* Rubber Boa

Family Colubridae

___ *Coluber constrictor* Racer
___ *Diadophis punctatus* Ringneck Snake
___ *Hypsiglena torquata* Night Snake
___ *Masticophis taeniatus* Striped Whipsnake
___ *Pituophis catenifer* Gopher Snake
___ *Thamnophis sirtalis* Common Garter Snake
___ *Thamnophis elegans* Western Terrestrial Garter Snake

Family Viperidae (Vipers)

___ *Crotalus viridis* Western Rattlesnake
