

CSED Department Mission Statement:

The mission of the Department, which encompasses programs in Audiology, Deaf Education, Sign-Language Studies, Educational Interpreting, and Speech-Language Pathology, is to:

1. Educate clinicians, teachers, and interpreters to serve children and adults with communicative disorders. Individuals will be educated in an environment in which excellence is expected and provided by both faculty and students.
2. Contribute to the knowledge in our profession and incorporate existing and new knowledge into the clinic and academic education of our students.
3. Provide quality services to our local, regional, national, and international communities. The clinical education of our students includes a commitment to provide the best possible clinical services to our clients.

All activities of the department, academic teaching, clinical teaching, research, and public service are provided in a manner consistent with the highest principles of ethical standards.
