

Name: Ronald L. Schow, Ph.D.
Academic Rank: Professor of Audiology
CCC-A
Tenure Track---Yes, Tenured 1981

1. Degree/Institution

B. S. Utah State University	1967	Zoology
M. S. Utah State University	1969	Speech Pathology and Audiology
Ph.D. Northwestern University	1974	Audiology

2. Significant Professional Experience, Contributions and Continuing Education

Research and Scholarship: Books/Monographs/Test Battery (7 prior to 2000)

Schow, R., and Nerbonne, M. (Editors: also coauthors of chapters 1, 3), Introduction to Audiologic Rehabilitation, Fifth Edition , Boston MA: Allyn and Bacon, 2007.

Multiple Auditory Processing Assessment (MAPA). A battery of tests for measuring central auditory domains as defined by ASHA. Auditec of St Louis, 2007.

Research and Scholarship: Book Chapters (20 earlier chapters not listed)

Alpiner, J. and Schow, R. Rehabilitation Evaluation of Adults. Chapter 10 in Rehabilitative Audiology: Children and Adults. Third Edition, J. Alpiner and P. McCarthy (Editors). Williams and Wilkins, Baltimore. 2000.

Smedley, T.C. and Schow, R.L. Chapter 8, Extending the Life of Hearing aids and Problem Solving. in Consumer Handbook of Hearing Loss and Hearing Aids: A Bridge to Healing. 2nd Edition. Editor: Richard Carmen. Auricle Ink Publishers. 2004.

Moeller, M.P., Schow R., and Whitaker, M M.. Chapter 8, Audiologic Rehabilitation for Children: Assessment and Management in Introduction to Audiologic Rehabilitation, Fifth Edition, Boston, MA: Allyn and Bacon, 2007.

Pichora-Fuller, K. and Schow, R. Chapter 10, Audiologic Rehabilitation for Adults and Elderly Adults: Assessment and Management in Introduction to Audiologic Rehabilitation, Fifth Edition, Boston, MA: Allyn and Bacon, 2007

Schow, R. L. and Seikel, J. A. Screening for (Central) Auditory Processing Disorder. Chapter 6 in (Musiek, F.E. and Chermak, G. D., Editors) Handbook of (Central) Auditory Processing Disorder. San Diego, Plural Publishing, 2007.

Research and Scholarship: Journal Articles (Major Publications) (18 refereed not listed)

Schow, R.L. and Chermak, G. Implications from factor analysis for central auditory processing disorders. American Journal of Audiology, 8:2, 137-142, 1999.

Domitz, D.M. and Schow, R.L. A new CAPD battery—Multiple Auditory Processing Assessment: Factor analysis and comparisons with SCAN. American Journal of Audiology, 9:2, 101-111, 2000.

Schow, R.L., Seikel, J.A., Chermak, G.D. and Berent, M. Central auditory processes and test measures: ASHA 1996 revisited. American Journal of Audiology, 9:2, 63-68, 2000

Schow, R.L. A standardized AR battery for dispensers is proposed. Page Ten. The Hearing Journal. 54:8, 10-20, 2001.

Schow, R. L. et al. Support for a Multiple-Factor Model of Auditory Processing. Letter to the Editor. American Journal of Audiology, 11:1, 9-12, 2002.

Papers Presented (over 50 total since 1976; many given at ASHA)

Schow, R. Status and Future of SAC and SOAC: Psychometric Studies. International Collegium of Rehabilitative Audiology. Goteberg, Sweden. May, 1997.

Schow, R. Domitz, D., Brockett, J. and Vause, M. Central Auditory Processing Disorders: Identification and Treatment Options. Idaho Speech and Hearing Association Annual Convention. Boise. April, 1997.

Schow, R. . Diagnosis and Remediation Issues in Central Auditory Processing Disorders: International Collegium of Rehabilitative Audiology. Vancouver, Canada. April, 1999.

Schow, R., Siekel, J.A. and Jones, C. Central Auditory Processing Disorders: New Ideas-New Methods. Idaho Speech and Hearing Association Annual Convention. Boise. April, 2001

Schow, R., Brockett, J, Bishop, R, Whitaker, M and Horlacher, G. Standarization of Outcome Measure in Hearing Aid Fitting. International Collegium of Rehabilitative Audiology, Florida, March, 2005.

Schow, R., Pichora-Fuller, Stephens, SDG. Panel Discussion on Models for Audiologic Rehabilitation.. International Collegium of Rehabilitative Audiology, Lueven University, Belgium, June, 2007.

Clinical Service Delivery: Past 5 years

Childrens Clinic
Adult Clinic
Bannock Infant Screening
AR Groups
Interdisciplinary Evaluation Team

Continuing Education: Membership & Convention Attendance: past 5 years

International Collegium of Rehabilitative Audiology (ICRA)
Academy of Rehabilitative Audiology (ARA)
American Speech-Language-Hearing Association (ASHA)
American Auditory Society (AAS)
American Academy of Audiology (AAA)
Idaho Speech and Hearing Association (ISHA)

Service/Recognition

Fellow, American Speech-Language-Hearing Association, 1990
Charter Member, International Collegium of Rehabilitative Audiology, 1988.
Member, Council for the Deaf and Hard of Hearing, State of Idaho, 1991 to present
Reviewer of articles/texts: Ear and Hearing, J. Academy of Rehabilitative Audiology, Volta Review, Folia Phoniatica, Williams, & Wilkins (texts), ASHA (proceedings text and AJA).
Consultant to Bannock Regional Medical Center on Infant Hearing Screening Program. 1986 to present.
Certified Course Instructor and Director, Council for Accreditation in Occupational Hearing Conservation, 1975-2002.

Courses Taught past 5 years

Advanced Audiology
Adult AR & Advanced AR
Pediatric Audiology
Interdisciplinary Evaluation
Impedance Audiometry & Special Tests
Audiology II: AR
Clinical Practicum
