Pocatello High School senior, Amy Knight, 17, tests the remote control mechanics of the robot she is assembling in class Tuesday morning, Nov. 26. The students were preparing for first round competition in the "Stack-It-Ball Plus" robotics competition on Nov. 30. Students are now preparing for the Championship round to be held on Thursday, Dec. 14, from 6 to 9 p.m. at Pocatello High School's old gymnasium.
