	__Goal 12	Functioning of People in Society	3	PSYC 101	

*Alternate means of satisfying goals for BS: Any student with six hours in a subject field included in goals 1-12 satisfies the requirement of the goal in which that subject appears, if the courses are compatible with the goal. A course may not satisfy two goals.

General education and major field requirements: If a student's major program requires a course that is also approved for general education, that course may fulfill both general education requirements and major field requirements.
