B	Equipment Operation and Maintenance	30	8.1
C	Image Production and Evaluation	50	8.8
D	Radiographic Procedures	60	8.9
E	Patient Care	30	9.0

**MEAN SCALED SCORE FOR TOTAL TEST:**

88.2

**PERCENT OF EXAMINEES PASSING:**

100

**NUMBER OF EXAMINEES:**

18

#### NOTES:

These summary statistics are based on program graduates taking the test for the first time (refer to NUMBER OF EXAMINEES box in the table to the right).

Total scaled scores are reported on a scale of 1 to 99. These are not percentages. A total scaled score of 75 or greater is required to pass.

Section scores are reported on a scale of 1 to 10. Pass/Fail status is not determined from section scores. Section scores are for advisory purposes only. They provide a general indication of test performance in each content area.
