# Seeking student employment in the box office

(Federal and ISU Work-Study)

There are several places a student can find employment with the Department of Theatre and Dance. The box office in the Stephens Performing Arts Center employs 2-5 students each semester. Students sell tickets for a wide array of cultural performances across the University, including Theatre and Dance productions.

Stacey Giokas ([giokstac@isu.edu](mailto:giokstac@isu.edu)) in the Office of **Human Resources** posts vacant student positions on the Bengal Web homepage.

In addition, the Office of **Financial Aid** will post any work-study positions our department has available. These positions fluctuate depending on work-study funding.

We also place flyers around the Performing Arts Center and campus advertising open positions with the Department of Theatre and Dance.

If you are interested please contact:

Ms. Erin Joy  
Box Office Manager  
Department of Theatre and Dance  
282-6452
