

# **AUDITION AND CASTING POLICIES THEATRE/DANCE ISU PRODUCTIONS**

**Theatre/Dance ISU maintains an active production schedule. Students, faculty/staff, and members of the community are encouraged to audition for a wide variety of Theatre/Dance ISU productions. It is understood that the casts of all Theatre/Dance ISU productions will be composed primarily of students. Students may audition if they meet the following qualifications:**

- A cumulative grade point average (GPA) of at least 2.0.**
- Enrolled for one or more credits for the semester in which the production will be presented.**
- Since rehearsals for mainstage Theatre/Dance ISU productions are chiefly in the evenings, students with multiple night courses or commitments to outside work, theatre productions, etc., may be eliminated from consideration due to these conflicts. Each Theatre/Dance ISU audition form contains the following statement, requiring the signature of each auditionee:**

**“Since classes and Theatre/Dance ISU productions require so much time, attention, and effort, I understand that I cannot be involved in any other outside production or take more than one night class without the consent of the director or technical supervisor for this production.”**

**Theatre /Dance ISU reserves the right to cast faculty/staff members and community members where appropriate. Implicit in the casting process is the understanding that any cast member may be removed from the cast at the discretion of the director.**
