at ISU

GoogleApps

On October 6, 2009, ISU will replace its current email system and upgrade to Google Apps. Your current email address will remain the same.

Be on the lookout for more information — coming soon!

All students, faculty, and staff will get:

Gmail Seven gigabytes of storage space

Calendar Manage your schedule online and coordinate with colleagues and friends

Docs Create and share online documents, spreadsheets, and presentations

BengalWeb

Also in October, students will be given access to BengalWeb, ISU's new portal. BengalWeb organizes all the most important information students need in one convenient location:

- Campus announcements
- Registration information
- Moodle access
- Campus events and activities
- Library resources
- My ISU
- Financial aid
- Jobs
- Facebook updates
- ISU Twitter feeds
- and much, much more!

Personalized and customizable!
