ARE YOU SAFE?

The best high tech security system is of no use if you are careless with your access information.

Computer security is your job too!

WHAT'S AHEAD?

Financial Aid

Our new Financial Aid system will be going live in January 2010. Students will be able to look up their own financial data and track their awards in BengalWeb. More information will be available towards the end of 2009.

Student Information

Fall 2009 will be an exciting time for Student Information. All students will be given access to BengalWeb. Admissions and Recruitment will be going live. Additional information on using Student Information systems will be provided as we approach these dates.

TigerGuides

Do you need additional assistance doing Web Time Entry? Using BengalWeb? There's a **TigerGuide** in each area of the University who can help you out. [Click here](#) to find your TigerGuide.

Account Number Permissions List Deadline: March 27

On July 1, 2009, ISU will implement a new Finance system. In preparation for this event, the Finance Team is setting up security to allow all necessary individuals to access their budget and expenditure information.

In order to assure that critical budget information is available when the new Finance system goes live, account directors must review and update their account permissions by March 27 ([Read More...](#))
