Ron or Robert, please send the following message to STUDENT memos as soon as possible. Any questions or concerns please let me know. I'll be out and about this morning so feel free to call my cell phone at 681-1111. Any questions or concerns, please let me know. Thanks so much for your help and cooperation regarding this matter. Cali

Fall 2010 Registration is Now Open in BengalWeb!

For all Fall 2010 courses, go to the Academics Tools tab in BengalWeb to search the ISU Class Schedule, add or drop classes, and see your Fall 2010 schedule. The class registration features in MyISU will not be used for classes after Summer 2010.

HEADS Up! Important Changes

- Course Reference Numbers (CRNs) replace Index Numbers
- All course numbers are now 4 digits (Engl 101 is now Engl 1101)
- Thursday is R (as in MTWRF)
- Prerequisite, corequisite, majors-only & instructor permission restrictions enforced for all courses

New Registration Schedule (notice start times have changed to 8 am)

Seniors, Graduate, & Professional Students: April 19 (Mon) 8am

Juniors: April 21 (Wed) 8 am

Sophomores: April 23 (Fri) 8 am

Freshman: April 26 (Mon) 8 am

Common Errors

Prerequisite required, corequisite required, major restriction, instructor permission -- if a message indicates, contact instructor for override (or call department if instructor is not available). Provide Bengal ID and CRN. *If granted an override, you must then go back into BengalWeb and register.*

Maximum hours exceeded: Contact the department for permission to register for more than 18 credits.

Class restriction: Contact department, or wait until you are at the correct class level (must be admitted to Graduate School to take 5000-8000 level courses).

Waitlists

New! Closed classes usually offer waitlists. If a course is closed, a "C" is displayed in the Select column instead of a checkbox, complete the following steps:

- Copy the **CRN**, enter it in the worksheet, and then click **Submit Changes**.
- The course appears under **Registration and Errors** below **Current Schedule**.
- Click the down arrow under **Action** next to the course, and choose **Add to Waitlist**. Click **Submit Changes**.
- Class is added to your **Current Schedule** with **Add to Waitlist** as status.
- Click Submit Changes. If an opening occurs, an email will be sent to your ISU email address.

You have 24 hours to add this class. **If you no longer want to be on the waitlist, please DROP THE CLASS to remove your name.**

To learn more about searching the ISU Class Schedule, adding or dropping classes, common registration errors, and waitlists--go to the [Registration QuickGuide](#).
