Our New Financial Aid System is now LIVE!

Three new Financial Aid channels are now being provided in BengalWeb to students who have completed their FAFSA applications for the 2010-2011 aid year:

- **Financial Aid Requirements channel**
 - View remaining application requirements, access online documents to complete, and view financial aid requirements history
 - A green check indicates a requirement has been fulfilled; a red flag means something still needs to be done
 - Students can instantly see remaining requirements by checking the channel; in addition, email requests will also be sent on an ongoing basis
- **Financial Aid Information channel** (*award information will be available beginning in March, as processing is completed*)
 - Review awards, status of application, satisfactory academic progress, and holds
 - **Important:** Beginning in July, students will need to come here to actively accept their awards and select disbursement options (replaces TranPay)
- **Work-Study Balance channel** – (*balances will not appear until Fall 2010, after award-year employment begins*)
 - Displays a student's remaining work-study balance, placement, & supervisor contact information

For questions regarding Financial Aid, contact the Financial Aid office at 282-2756, or email finaidem@isu.edu.

If you experience technical difficulties, contact the IT Service Desk at 282-4357 (help), or email help@isu.edu.

Sincerely,

The Tigeri Project Team
