The full-time fee is limited to resident or contract students who were in the program prior to the current PDNT program, and only available during clerkships. Prior to Clerkships, all students pay the credit-hour rate regardless of the total number of credit hours in which the students are currently enrolled. Out-of-State Students and PDNT 2004 students (E, F, G, H, I, and J) are not eligible for full-time fees at any time during their enrollment. During clerkships, malpractice coverage (\$15.00/May 2007-May 2008) is required.
