

SEEKING SOURCES OF FUNDING?

ATTEND THE COMMUNITY OF SCIENCE (COS) PROFILE MANAGEMENT WORKSHOP

COS Profile Management Tools Help You:

- Find, track and share funding opportunities - quickly and efficiently,
- Maintain and generate an up-to-date resume, and
- Identify potential collaborators at a variety of institutions.

Whether you are new to using COS or a seasoned "COS searcher" this workshop will greatly increase your searching capabilities.

DETAILS:

What: COS is an online database containing thousands of potential funding sources for sciences, arts, humanities and scholarly activities. It is free to users affiliated with ISU.

When: Thursday, September 23, 2010, 10:00 –11:30 am

Where: Rendezvous Computer Classroom 215

Contact: Diana Schow, Office of Sponsored Programs, ext. 2592
