

IDAHO STATE UNIVERSITY
UNIVERSITY HONORS PROGRAM
STUDENT-INITIATED HONORS CONTRACT

This Contract for Honors Credit fulfills Honors Contract Course.

This contract must be submitted within the first three weeks
of the semester for which the Honors Contract Course will be completed.

CONTRACT INFORMATION

Course Prefix & Number	Title	Semester and Year
------------------------	-------	-------------------

PROCEDURE

Arrange the terms of your contract with your instructor and provide the information below on attached pages.

- Course Syllabus, including general course requirements.
- Specify how *Honors* course requirements will differ from the general course requirements. These requirements may include but are not limited to: independent research, collaborative projects, service learning, outreach programming, leadership training, alternative media development, professional or technical applications, student teaching and mentoring, and the enhancement of critical, synthetic, comparative, interdisciplinary, or creative thinking.
- Provide a description of alternative assignments, testing, or performance criteria. Note that *Honors* options should focus on different or alternative work, **not** additional work.
- Specify how these *Honors* assignments will be integrated into the final grade.
