Women in Mathematics

Cathy Kriloff, Carole McWilliam and Tracy Payne were awarded a grant by the Association for Women in Mathematics (AWM) to hold a second annual Sonia Kovalevsky High School Mathematics Day at ISU on April 23, 2005. The day is intended to encourage high school girls to continue their studies in mathematics and science. There will be hands-on workshops for the girls as well as a workshop for teachers. Any interested girls in grades 10-12 can contact Dr. Kriloff (krilcath@isu.edu, 282-3093) for more information

The Woman of Achievement lunch will be March 12 at noon in the Red Lion Inn. The cost is \$13.00. RSVP to Kathleen Dohse with your check for \$13.00 by March 1. Kathleen's box is 8380.

Anderson Gender Resource Center subscribes to eight magazine which are kept in the Center library. *Latina Style, Harper's, People, Self, Time, Ms. , Jane, and Fashion Rocks*. Spend you lunch hour in the library reading a magazine.

Discussions have been taking place about the availability of diaper changing stations around campus. Currently, there are diaper decks in the PSUB building, main floor (men and women's rooms) and the women's room in the Museum basement. The north and south side of the Holt arena have diaper changing counters in both the men and the women's restrooms.

ISUPW will continue to monitor the changing stations situation and have more of these installed across campus. If you have a concern about this, contact one of the board members listed below.
