

### Feedback Example Evaluation

---

This class was informative, useful and was taught very well. I learned a lot!

---

The instructor was very understanding and would work around my schedule. The study guides before exams were helpful.

---

Professor made classes easy.

---

What are 2 things you would change about this class?

---

Nothing! The class was great!

---

Nothing, it was a terrific class.

---

Class was too easy in my opinion. I did not learn what I thought I was going to learn in this class.

---

Not have our projects and exams all in the same week. A syllabus with correct dates would be helpful.

---

More application to real world situations.

---

Maybe assign more assignments for practicing to spread out the point distribution a little more..
