Why choose us?

We offer a variety of resources designed to help adults through the education process including entering, returning to college, earning a high school diploma or transferring from a two year to four year program.

The TRIO Educational Access Program is 100% funded by the U.S. Department of Education.

Do you have questions?

All the services that are provided by the Educational Access Program are FREE, and we have muliple walk-in locations in Eastern Idaho.

Eligibility

- Be a citizen or permanent resident of the United States (or provide documentation of intent to become a permanent resident)
- Be at least seventeen years old
- Express a desire to enroll in an adult education program or a program of postsecondary education
- Veterans eligible at any age, provided all other criteria are met

Our Services

Help in completing applications for college admissions, testing, and financial aid

Guidance on secondary school re-entry or entry to a GED program
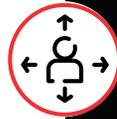

Academic advice and career exploration opportunities

Information on postsecondary education opportunities and student financial assistance

Information for new migrants on education system in the United States as well as guidance on credentialing international degrees and work experience

CHANGE BEGINS WITH US

The TRIO program became the first program to assist disadvantaged students in accessing college and also the first program to recognize the different barriers to education.

TRIO is designed to help low-income students who are the first in their family to attend college.

Let us help you achieve your educational goals.
