

Idaho State University Distance Learning Network – Copyrighted Media Statement

Faculty member name: _____
Department _____
Office Phone: _____

At each blank below, indicate as appropriate either Yes or No.

_____ I, or my designated representative, intend to use copyrighted material over the Idaho State University Distance Learning Network.

_____ I have attended a copyright workshop offered through the ITRC.

DVD/VHS

I am aware that each DVD/VHS recording I will use must be a legal copy.

Taped programming

I am aware that I cannot show any program that has been taped off air, from cable television or satellite.

Internet

Content from the Internet must be viewed from each origination web site. I must obey any copyright requirement outlined on a website. I must obtain a copyright holder's expressed written permission before copying a web site's content into a presentation.

Computer Presentations

I must obtain expressed written permission of a copyright holder before copying any copyrighted material into a computer presentation. Without this, I must either link to or play that material only from a legal copy.

Photographs, Images, Artwork

I must obtain expressed written permission of a copyright holder before copying from a text book any photograph, image or artwork, and I must use only an original, legal copy (*i.e.*, not copied into a PowerPoint).

Students/Guest lecturers

I am aware that as an instructor for an Idaho State University course, I must inform all those who use my class time to transmit over the distance learning network that they must comply with all copyright regulations.

Date: _____
Signature: _____

Below is a list of media (name/type, purpose) that I intend to use in distance learning, for which I or the University do not hold copyright. If the answer to neither of the statements is YES, then I can only show limited and reasonable portions of the media over the Video/DL Network per the limitation of the TEACH Act.

1.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

2.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

3.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

4.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

5.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

6.
_____ have purchased educational right to show programs via distance learning
_____ have received written permission from the copyright holders

7.
