

NSF S-STEM Chemistry and Biochemistry Scholarships at ISU

2012-2013 APPLICATION

High School Student entering ISU is required to submit with their application:

1. Official High School Transcript
2. 2011 Spring Class Schedule
3. Two Letters of Recommendation
4. Typed One Page Essay
5. Apply for Financial Aid (FAFSA)

Transfer and Continuing ISU Student is required to submit with their application:

1. Unofficial Transcript
2. 2011 2nd Semester Class Schedule
3. Two Letters of Recommendation
4. Typed One Page Essay
5. Apply for Financial Aid (FAFSA)

Deadline: April 2, 2012

All students must complete this application and include two letters of recommendation providing insight into your personal character, potential, motivation and ability to successfully complete a rigorous chemistry program. One reference must be from a Chemistry faculty member and a second from a Math or Science faculty member.

A double-spaced essay is required on a separate piece of paper describing why you want to study chemistry at Idaho State University and ultimately pursue a career in chemistry or biochemistry.
