

**Idaho Tech Prep Program Proposal
And Articulation Agreement
Between Idaho State University and Highland High School**

Starting Date: August 2010

Tech Prep Program: Computer Aided Design Drafting
Secondary Program ID: 36023

Anticipated Degree: AAS; TC
Post-Secondary Program ID: _____

ARTICULATED COURSES

List the secondary professional-technical Program of Study courses in this Tech Prep program and the college Program of Study courses they articulate to.

High School Course #	High School State Approved Course Title	HS Course Length	Postsecondary Articulated Course Title	Post-Secondary Credits
TE0220	Intro to Mech. Drawing, Intro to Drafting/Design, and/or Intro to Computer Aided Drafting	2 Trimesters are required for each college course	<u>Juniors or Seniors ONLY</u> First 2 trimesters CADD 101 - Drafting Theory I CADD 102 - Drafting Lab I Second 2 trimesters CADD 111 - Drafting Theory II CADD 112 - Drafting Lab II	3*
TE0224	Intro to Architectural Drafting, and/or Intro to Structural Design			

Juniors and Seniors who are enrolled for two concurrent trimesters of Drafting classes at Highland High School may transcript college credits after the second trimester if they have earned a minimum grade of B in both trimesters. During the second trimester, students will be required to pass assessment tests provided by Idaho State University with a score of 80% or better. Contact Mike Wheelock in the CADD department at the College of Technology for information on testing. 282-2217

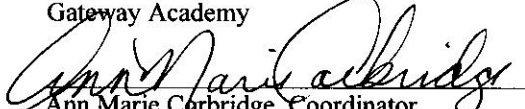

Uniform Articulation of College Credit

- Awarding Tech Prep credit is a function of the postsecondary institution(s). Articulated Tech Prep courses must meet college course standards. Students may be required to complete a competency assessment.
- Secondary Tech Prep students who desire to articulate credits to the postsecondary program must:
 - complete an approved course and demonstrate at least 80% competencies in each articulated course;
 - earn a minimum grade of B- in each articulated course; and,
 - be registered as a Tech Prep student in the CATEMA system.
- Articulation agreements will be reviewed annually and remain in effect until canceled by either party. A notice of intent to discontinue the agreement must be presented to the other partner and to the regional Tech Prep Coordinator. Changes in the agreement may only be made with the consent of both the secondary school and postsecondary institution. If agreement to amend an articulation cannot be reached, the agreement will terminate on a mutually established date.
- By signing this agreement, secondary instructors agree to maintain a record of articulated courses, provide end-of-course grades, competency attainment, and comments regarding students' progress using the CATEMA system.
- Credits earned in this program may transfer to other Idaho institutions. There may be a transcription fee for articulated credit.
- Tech Prep courses will meet Perkins IV requirements, such as: career counseling; equal access; in-service training; business and industry involvement; academic integration; alignment of course competencies; and, assessment of work-based learning.
