WELCOME TO THE BENGAL FAMILY!

As you settle into your role, use this toolkit to make sure you have everything you need to be successful! This toolkit contains important information and a timeline for tasks we recommend be completed within your first year as an employee.

Please pay special attention to those needing to be completed within your first 30 days, as some include important deadlines.

Idaho State University is a public research-based institution that advances scholarly and creative endeavors through academic instruction and the creation of new knowledge, research, and artistic works. ISU provides leadership in the health professions, biomedical, and pharmaceutical sciences, as well as serving the region and the nation through delivery of preeminent technical, undergraduate, graduate, professional, and interdisciplinary education. The University fosters a culture of diversity and engages and impacts communities through partnerships and services.
