Bengal Faithful,

On behalf of our players and coaching staff, thank you for your dedication to Idaho State Football. The Quarterback Club has been, and continues to be, our backbone through wins and losses and it helps us endure the hardest of times. We are experiencing those times now, and thanks to your help we are still growing in strength and resolve through it all.

We don’t know what the future holds in regards to this pandemic, however I can promise you this – when we’re back on the field competing we are going to give you 110% effort, and as a team we will make you proud as loyal supporters of the program.

Your support of the Quarterback Club fuels our momentum, and in order to compete at the highest level in the Big Sky Conference this is exactly what we need to do – never slow down. Quarterback Club funds are the reason we can still get better and stronger in this moment.

Thank you!

Enclosed you will find our 2020-21 Quarterback Club benefits and levels of giving. As you know, the plan is to postpone our season to the spring. In the meantime, our players are continuing to train relentlessly with a common goal of making a statement from the first moment they are unleashed on the playing field.

They are also continuing to get it done in the classroom, as your Bengal Football Team posted a 3.02 GPA this past spring semester.

If this pandemic has taught us anything, it has emphasized the need to think beyond football. That is exactly what you are doing as Quarterback Club members – you are providing once-in-a-lifetime opportunities for young people to get an education that will help them succeed in life after graduation.

Again, thank you for all that you do for Idaho State Football.

Go Bengals!

ROB PHENICIE
