At the end of each academic year, the academic department shall prepare a Fee Report that describes the income secured from fees, the expenditures for which those fees were spent, the balance of fees remaining at the end of the year, and plans for that balance (e.g., accruing funds for a major purchase). This report will be provided to the college dean and the Office of Academic Affairs. This report shall be reviewed by the dean to ascertain that the amount of fees collected is justified and that the expenditures of funds are for acceptable purposes. This report is subject to review by Internal Audit.
