

Good Morning,

Thank you all for updating the summer course fee documents. I appreciate your time and effort with our new processes during this difficult time.

The Provost's Office understands that all summer class fee changes have now been submitted and that all existing fees will be used consistent with the class fee policy. For further information please see the class fee policy below.

<https://www.isu.edu/media/libraries/academic-affairs/Class-Fee-Guidelines-FY19.pdf>

Please let me know if you have any questions.

Thank you!  
Cindy
