University

Memorandum

TO: Deans

FROM: Dr. Laura Woodworth-Ney
Executive Vice President and Provost for Academic Affairs

SUBJECT: Student Evaluation Accommodation Statement for Spring 2020

DATE: April 3, 2020

Please be advised that the Provost's Office is directing every academic unit to utilize special accommodation when analyzing teaching evaluations for the Spring 2020 term. Teaching evaluations will still be required, and are under the purview of the deans' offices.

Student feedback related to mode of delivery, technological challenges, or post-distance transition issues will be reviewed in light of the extraordinary circumstances that faced our faculty and our campus during the Spring 2020 term. This applies to all uses of teaching evaluations, including Tenure and Promotion review.
