

Treasure Valley Anatomy & Physiology Laboratories

Summer Anatomy Program- Program Schedule and Requirements

Program Requirements

1. Able to commit to, and follow through on, regular weekly attendance required for the Summer Anatomy Program (Tuesdays and Thursdays 11:30am-4:30pm, 6/4/24-7/25/24). Able to commit to sufficient preparation and study time in addition to scheduled laboratory times (i.e., 10 hours lab time/week; approximately 10 hours/week study time outside of scheduled lab times).

Description of <i>Minimum Time Commitment</i>	<i>Minimum Hours per Week</i>
In the lab - lecture, dissecting, maintenance, etc.	10
Preparation and study outside of lab times	10
Total	20

Participants are allowed one excused absence through the course of the program. More than one absence, and/or consistent lack of preparation may result in dismissal from the program.

2. A working knowledge of basic human anatomy and a strong desire to attain excellence in anatomy.

Program Schedule

Meetings will consist of 50 minutes of classroom activity followed by 250 minutes in the lab.

Week	Date	Day	Topic
1.	6/4/24	Tuesday	Orientation
	6/6/24	Thursday	Introduction to Dissection I
2.	6/11/24	Tuesday	Introduction to Dissection II
	6/13/24	Thursday	Histology; <i>Presentation Topic Due</i>
3	6/18/24	Tuesday	Vertebrate Embryology; <i>Structures List Due</i>
	6/20/24	Thursday	Vertebrate Trunk Structural Patterns; <i>Presentation Outline Due</i>
4.	6/25/24	Tuesday	Vertebrate Trunk Structural Patterns (continued)
	6/27/24	Thursday	Vertebrate Trunk Structural Patterns (continued)
5.	7/2/24	Tuesday	<i>No Meeting</i>
	7/4/24	Thursday	<i>No Meeting</i>
6.	7/9/24	Tuesday	Vertebrate Extremity Structural Patterns
	7/11/24	Thursday	TBD
7.	7/16/24	Tuesday	Student Presentations: <i>Group 1</i>
	7/18/24	Thursday	Student Presentations: <i>Group 2</i>
8.	7/23/24	Tuesday	Student Presentations: <i>Group 3</i>
	7/25/24	Thursday	Student Presentations: <i>Group 4</i>
