The purpose of this resolution is to show the gratitude of ASISU to the Outdoor Adventure Center for hosting ASISU's training and facilitating the opportunity for bonding of ASISU officers, allowing for ASISU to develop a strong relationship with each other for a stronger student government that will benefit the ISU student body. As well as to recognize the benefits of the OAC for the student body and ASISU's support of the organization.

WHEREAS: the OAC hosted ASISU at the 2025-26 ASISU training retreat, allowing the new officers to build relationships with one another and build trust for the goal to work together in a way that will overall benefit the student body. In which, the current officers of ASISU are thankful for the generosity and kindness of the OAC.

WHEREAS: the OAC allows for all students to have the opportunity to participate in extracurricular activities around and within the community. This includes, but is not limited to trips to national parks, rock climbing events, and the Challenge Course, all paid for by the OAC. Students have access to outlets for de-stressing and exploration of activities that they may not have had the means to participate in without the OAC.

WHEREAS: these opportunities from the OAC are vital to our students overall well-being, and they allow ISU students to promote their own health, both physically and mentally. The OAC's role on campus can't be understated, and the impact they have on Bengals can be seen every single day.

BE IT THEREFORE RESOLVED: the OAC has ASISU's full support, recognition, and thanks for what they stand for and the events they hold. ASISU will continue to support the Outdoor Adventure Center and their efforts to benefit the well-being of the student body.
