Finance Committee Contingency Funding Questions

After reviewing your request, the Finance Committee may either deny your request outright or invite you to present the request at their next meeting. The following questions are designed to help prepare you for questions that members of the Finance Committee might ask you. These questions include but are not limited to:

1. What is your purpose in applying for this money?
2. When and where is this event taking place?
3. How much are your travel and lodging expenses?
4. What is the agenda for this event?
5. How many people will be participating in this event/going from your club?
6. How will this money benefit ISU?
7. How will this money benefit your club?
8. Have you done any previous fundraising for this event?
9. In the future would you be able to raise the funds on your own without the use of contingency funds?
10. If granted contingency funding, would you be willing to come before the Senate and present a follow up report?

The granting of your request is not guaranteed and you may only receive a portion of the funds you requested. If you have any questions about this process, please contact the ASISU Secretary at asisu@isu.edu or the ASISU Finance Officer at asisufin@isu.edu.
