*This bill changes the requirements for new club funding and eliminates outdated rules.*

ASISU Bylaws

Article IV- Financial Affairs

Section 9—New Club Fund

~~Clause 1—A club may apply for new club funding if they were organized after the initial deposit deadline or were inactive the previous academic year and did not have the opportunity to apply for an initial deposit. Clubs may apply for new club funding through the end of the semester following the semester in which they were organized. This also applies for reorganized clubs if they were previously inactive for a year or more.~~

- A. Clubs may apply for a maximum of \$500.
- B. The amount will be approved by the ASISU Finance Committee.

~~Clause 2—Forms may be turned in any time after the club was organized until the initial deposit deadline of the current academic year. Clubs may not receive both new club funding and initial deposit in the same semester.~~

- A. Clubs may apply for a maximum of \$500. A newly organized club may apply for both new club funding and initial deposit in the spring semester but only if the new club funds are to be received in the spring.
- B. Money obtained for the new club must be used in the fiscal year in which it was received. Unused new club fund money will be returned to ASISU. Once initial deposit has been received clubs are ineligible for new club funding.

Clause 3—Requests will be heard in the order in which they are received by the Senate Finance Committee and funds will be dispersed on a first come, first serve basis.

~~Clause 4—Funding guidelines shall be the same as those outlined for C.E.A.S.A.R. Funding in Article IV, Section 6, Clause 2. To qualify for new club funding a club must have at least one officer attend both the financial workshop and new officer training. If a club is formed after the workshops have been held club officers may meet with the Student Activities Coordinator or ASISU Financial Officer to fulfill the requirements.~~
