Senate Rule Book

Article II - ASISU Senator

Section 5 - University Committees

The ASISU president or his/her designee from the Cabinet will assign each senator an approximately equal share of university committees. A member of the Senate shall be an ex-officio member of assigned standing committees. Senators are required to attend or send a representative to assigned committee meetings. Senators are required to report on their assigned university committees twice per semester during Caucus at the discretion of the Pro Tempore.
