SAROJ LAMICHHANE, COLLEGE OF ARTS AND LETTERS

The purpose of this resolution is to express the ASISU’s support to encourage faculty members to provide transcripts or captions on any videos used for teaching and learning in classes.

WHEREAS: Many students struggle with their hearing and would like to be treated fairly and given the same learning opportunities as their counterparts.

WHEREAS: Even though it is an ADA Requirement for educational institutions to treat every student fairly and provide transcripts to any videos used in the classroom, our college is not very good at following that requirement.

BE IT THEREFORE RESOLVED: ASISU would like to see professors and faculty members provide transcripts or captions to any videos used for teaching purposes in the classroom.
