SESSION LII TERM I

IN THE SENATE
RESOLUTION 599
BY
JAMES PASCALI, GRADUATE STUDIES
SPONSORED BY
NYELE ALVAREZ, COLLEGE OF ARTS AND LETTERS

This resolution seeks to voice support for the subscription of the New York Times Journal for the students of Idaho State University.

WHEREAS: Giving students access to the New York Times would prove beneficial, as many students have assignments that require professional news subscriptions for the purpose of citations and information, and has the potential of cultivating a more informed student body.

WHEREAS: Much in the way that the University provides academic journal subscriptions through the library, we feel this would add to that resource.

BE IT THEREFORE RESOLVED: The ASISU Student Senate supports student access to the New York Times digital subscription and encourages the University to fund this initiative.
