A Resolution To Support A Partnership between Rent College Pads and Idaho State University.

- WHEREAS: Idaho State University does not require its students to live on campus; and
- WHEREAS: Currently there is not an official centralized database for Idaho State University to find off-campus housing; and
- WHEREAS: ASISU is committed to creating a better living experience around Idaho State University that includes safer housing options and holding landlords accountable when necessary; and
- WHEREAS: rising costs of room and board are a major contributor to decreasing college affordability and retention; and
- WHEREAS: Rent College Pads is an off-campus housing website, a centralized portal for renter education that helps students who are looking for housing near their campus; and
- WHEREAS: Rent College Pads, which is at about 120 colleges across the nation, provides and incentivizes landlord accountability, property ratings, costs, and many more.

BE IT THEREFORE RESOLVED: that the ASISU encourages the ISU administrative team to pursue a formal agreement with Rent College Pads to build an off-campus housing website to be housed on the ISU website.
