ASISU Bylaws
ARTICLE IX—CREATING A STUDENT ORGANIZATION
Section 1—Conditions for Registration
Clause 3—Membership

D. An organization must have a minimum of ten (10) six (6) currently enrolled students as active members at the time charter is sought. An organization from the Idaho Falls campus must have a minimum of eight (8) four (4) currently enrolled students as active members at the time chartering is sought. The majority of their constituency and programming will be drawn from, and centered on the Idaho Falls campus. In order to retain its registered status, the minimum number of members must be maintained. Should membership status fall below the required number of members, the organization will be placed on probation for a period of one (1) academic year. At the end of the probationary period, the organization’s status will be reviewed by the Office of Student Organizations and Greek Life and a recommendation will be made at that time. An updated roster showing at least the required number of members may be submitted to the Office of Student Organizations and Greek Life at any time during the organization’s probationary period. At that time, the club or organization may be released from its probationary status. Recommendations for exemptions to this policy will be made by the Office of Student Organizations and Greek Life.
