### Old Business

1. **Bill 517, Additional Field Hour - Senator Salas:** read the bill. She will update it with the recommendations from Rules Committee. **Move to Approve Bill 517.** Salas/Kamman. Discussion. Senator Day asked about the part 2, where it talks about not attending retreat. Vice President Ruiz explained that the $100 penalty is enforced at the discretion of the president. Previous. Objection. Senator D’Amico doesn’t believe it’s Senate’s place to punish people if they’re not doing the extra stuff well enough. Senator Kamman doesn’t feel this is a punishment. It’s an incentive. Senators shouldn’t have the attitude to accept a deduction because it’s just returning some of the money they’re paid. They should put in the effort. It’s another field hour. Senator Salas feels the purpose is to participate in events. If they say they’ll be there and don’t show up, it leaves a bad impression of ASISU. They want to be more responsible as a senate. Senator D’Amico asked if this is only for ASISU events or any event. Senator Salas replied it’s for events where they sign up as ASISU. Senator Walker said it only applies if you sign up, and you can give 24-hour notice if you can’t attend. Senator Day was concerned that people won’t sign up beforehand for events. Senator Kissoon said that was a valid concern. It’s better to not sign up, versus signing up and not showing up. Senator Walker commented that if they don’t show up, they have to do something else. Senator Henderson said they are deducted if they don’t do field hours, so do they get another deduction if they don’t attend the event. Senator Gale clarified that you’d only get a deduction for the original field hour. Previous. Roll call.
