**ANNOUNCEMENTS AND CORRESPONDENCE**

1. Val Davids- Greek Council was presented to describe changes to their constitution. Abby Latta- The changes are as follows. Under Membership, there must be at least one voting member present. Under Elections, Greek Council members must be in good standing with Federal and State laws. Also under Elections, if there are more than two candidates running and there is a tie, a runoff election with the top two candidates will occur. Under Administration, in order to approve dues, the votes of Greek Council members must be unanimous. In Article 10, under Interest Group Recognition, only ten members are required instead of twelve. Vice President Ruiz asked why the addition of Federal and State Laws and if there was a situation that ASISU should be made aware of. Abby Latta- There was no situation, they would just like to ensure a good reputation. When members sit on Greek Council, they represent the public and if any member were to be on probation or have trouble with the law, it would reflect badly on the rest of the group. **MOVE TO APPROVE THE CONSTITUTION CHANGES FOR THE GREEK COUNCIL.** Jewkes/Sargeant. #### **PRESIDENT'S REPORT**

President Sargent- The Fine Arts club is selling some of their work this week. The hours are random so if Senators can't get in, they are to go to the Fine Arts office. Since the students are required to provide their own art supplies, it is a good opportunity to support them. This year, it was reported that three students were hit in a crosswalk. President Sargent met with the City Council to come up with ideas to solve the issue. All reports as well as ideas of how to prevent injuries and improve the crosswalks may be emailed to President Sargent. Senator Foltz asked if ASISU received the Senate Chamber blueprints. President Sargent- the blueprints are in her office. She and Lowell tested chairs and got quotes for everything except the table.
