**PRESIDENT'S REPORT**

President Schmidt- ISU Day at the Capitol is coming up in January. SAB S'mores is next Wednesday and they will be giving away scarves. Tuner Day is a tradition where everyone participates in a service project such as planting trees. This year, the project is to update the inside of Reed Gym near the basketball court and ASISU will be teaming up with Alumni to help. Our responsibility is to sponsor the food and reach out to the Greeks, Honors club, etc. We aren't allowed to touch the mural, but we will paint the walls and hopefully fix the floor. Is ASISU willing to provide some money or just sponsor the food? Senator Marshall- She wants to know the design before ASISU sponsors money. President Schmidt- A design will be sent to us and Secretary Rasmussen will email it to everyone. The service project will happen in March. Senator Kay- The entry way next to the basketball court is one of the main tour sites that ISU uses to show prospective students. It has 45-year-old couches and broken tile, it looks bad and creates a negative impression for these high school students. President Schmidt- Thanked Senator Kay for the plug and thinks it would be a good idea to support the project. The food that ASISU will sponsor is Chick-Fil-A.
