Welcome to the ISU-Meridian Counseling Center. The following notice is an introduction to your rights and responsibilities as a client at the clinic. The ISU-Meridian Counseling Center serves dual functions: to provide counseling for the community and to aid in the professional development of counselors and supervisors. All counseling is facilitated by graduate students at the Masters level who are supervised by a counseling professor. All counseling sessions at the ISU-Meridian Counseling Center are video-taped for supervisory and educational purposes.
