

CURRICULUM VITAE

Maria M. Wong

PERSONAL DATA

Mailing address: Department of Psychology
Idaho State University
Pocatello, ID 83209-8112

Office phone: 208-282-2752
Cellular phone: 208-380-2005
FAX: 208-282-4832
Email address: wongmari@isu.edu

EDUCATION

1993	University of Chicago	Ph.D.	Psychology
1985	University of North Carolina	M.A.	Psychology
1983	Chinese Univ. of Hong Kong	B.S.S.	Social work (major) & psychology (minor)

POSTDOCTORAL TRAINING

1/1998 - 12/1998	Research Fellow	Addiction Research Center, Univ. of Michigan
8/1995 – 7/1997	Research Fellow	Institute for Social Research, Univ. of Michigan

ACADEMIC APPOINTMENTS

2012-present Professor, Dept. of Psychology, Idaho State University
2012-2015 Professor & Director of Experimental Psychology Program
Dept. of Psychology, Idaho State University
2011-present Associate Professor (with tenure) & Director of Experimental Psychology Program
Dept. of Psychology, Idaho State University
2010-2011 Associate Professor (with tenure) & Coordinator of Experimental Psychology Program
Dept. of Psychology, Idaho State University
2009 Associate Professor (with tenure), Dept. of Psychology, Idaho State University
2007- 2009 Associate Professor, Department of Psychology, Idaho State University
2004- 2007 Assistant Professor, Department of Psychology, Idaho State University
2004-present Adjunct Research Assistant Professor, Dept. of Psychiatry, Univ. of Michigan
2000- 2004 Research Assistant Professor, Department of Psychiatry, University of Michigan
1999-2000 Research Investigator, Department of Psychiatry, University of Michigan
1997 Lecturer, Department of Psychology, University of Michigan
1992-1994 Visiting Assistant Professor, Department of Psychology, Wesleyan University

HONORS AND AWARDS

2017 Achievement Award, Idaho State University
2013-2014 Outstanding Experimental Faculty, Dept. of Psychology, Idaho State University
2011-2012 Distinguished Researcher, Idaho State University
2010-2011 Outstanding Researcher, Idaho State University
2011 Outstanding Experimental Faculty, Dept. of Psychology, Idaho State University
2008-2009 Outstanding Researcher, Idaho State University
2008 Outstanding Experimental Faculty, Dept. of Psychology, Idaho State University
1985-1991 University of Chicago Fellowship
(Awarded on a competitive basis for graduate study in Human Development)
1983 B.S.S. conferred with honors
1982-1983 Hong Kong and Shanghai Bank Fellowship
Department of Social Work, Chinese University of Hong Kong.
(Awarded for academic excellence)
1981-1982 Women Scholarship, Chung Chi College, Chinese University of Hong Kong
(Awarded for academic excellence)

PROFESSIONAL ACTIVITIES

Editorial consultation

2015-present Consulting Editor, Psychology of Addictive Behaviors
2010-present Consulting Editor, North American Journal of Psychology
2010 Principal reviewer, Psychology of Addictive Behaviors

Ad Hoc Reviewer:

Child Development, Developmental Psychology, Social Development, Pediatrics,
Journal of Research in Adolescence, Journal of Adolescent Health,
Journal of Personality and Social Psychology, Journal of Social and Personal Relationships,
Alcoholism: Clinical and Experimental Research, Alcohol and Alcoholism,
Addiction, Psychology of Addictive Behaviors, Drug and Alcohol Dependence,
Current Drug Abuse Reviews, Journal of Studies on Alcohol, Journal of Studies on Alcohol and Drugs,
Psychiatric Services, Academic Psychiatry, Clinical Psychology Review,
Journal of Clinical Child and Adolescent Psychology, North American Journal of Psychology,
Infant Mental Health Journal, Journal of Abnormal Child Psychology,
Psychology of Men and Masculinity, Psychiatric Services, Psychological Assessment
Administration & Policy in Mental Health and Mental Health Services Research.

Other professional activities (partial listing)

2016-2020 National Institute of Health, Center for Scientific Review
Regular reviewer - Biobehavioral Mechanisms of Emotion, Stress and Health Study
2015 National Institute of Health, Center for Scientific Review
Ad hoc reviewer - Biobehavioral Mechanisms of Emotion, Stress and Health Study Section
2015 American Psychological Association
Representative to advocate for medical research funding in the US Congress
2013 American Psychological Association
5th Annual Leadership Institute for Women in Psychology
2012 Center for Scientific Review, National Institute of Health
Early career reviewer - Child Psychopathology and Developmental Disabilities Study Section
2012-2015 Collaborator, Idaho National Laboratory
Project: "Psychological aspects of siting electrical transmission lines"
2012 Reviewer for 2012 Society for Research on Adolescence submitted program (Panel 8).
2010-2011 Statistical consultant, Idaho National Laboratory
Project: "Standardized safety culture approach project for the U.S. Nuclear Regulatory
Commission, (NRC JCN6769)."
Chair, Council for Teaching and Learning, Idaho State University
College of Arts and Letters Executive Committee, Idaho State University
2009-2010 Praxis Psychology National Advisory Committee, Educational Testing Service, NJ
Advisory committee to the President, Idaho State University
Reorganization Task Force for the Arts, Humanities, & Social Science, ISU
1999-2004 Director of Data Management & Data Analysis, Michigan Longitudinal Study, Addiction
Research Center, Department of Psychiatry, University of Michigan
1997 Senior Research Associate, School of Nursing, University of Michigan
1996-97 Statistical consultant, Applied Research Unit, Institute for the Study of Children, Families, and
Communities, Eastern Michigan University

Service activities at Idaho State University (partial listing)

2017-18 Chair, Idaho State University Research Council
2015-present Member, Idaho State University Research Council
2011-12 Search Committee, Vice President for Research

2010-14	College of Arts and Letters Executive Committee
2010-11	Chair, Council for Teaching and Learning, Faculty Senate
2009-10	Reorganization Task Force for the Arts, Humanities, & Social Sciences Promotion & Tenure Advisory Committee, College of Arts & Sciences Advisory Committee to the President
2008	Outstanding Student Achievement Award Committee
2006-11	Teaching and Learning Council, Faculty Senate
2005-present	Psychology Department Web Liaisons Representative

MEMBERSHIPS IN PROFESSIONAL SOCIETIES

American Psychological Association
 Association for Psychological Science
 Research Society on Alcoholism
 Sleep Research Society

RESEARCH INTERESTS

Research areas

Substance use, self-regulation, executive functions, and resilience

Current projects

1. Longitudinal relationship between sleep problems and substance use/abuse
2. Development of self-regulation (e.g., effortful control, executive functions) and how it mediates and moderates the relationship between sleep problems and substance use/abuse
3. Resilience (the ability to adapt well in spite of adversity), focusing on understanding protective factors related to important developmental outcomes such as substance use and suicidality

GRANT SUPPORT

National Institute of Health

National Institute of Alcohol Abuse and Alcoholism and National Institute of General Medical Sciences (R01 AA020364) "Sleep physiology and risk of alcohol problems in children of alcoholics." Maria M. Wong (Principal Investigator). September 2013 – August 2018. \$1,623,956 total costs.

National Institute on Drug Abuse (R01 DA 027261). "Brain endophenotypes modulating drug abuse risk." Zucker, Heitzeg, Zubieta (PIs). Maria M. Wong (Co-investigator). July 2009 – March 2014. \$3,275,377 total costs.

National Institute of Alcohol Abuse and Alcoholism (R21 AA016851) "Sleep problems and substance use/abuse in adolescence and young adulthood." Maria M. Wong (Principal Investigator). April 2008 – March 2011. \$ 249,642 total costs.

National Institute of Alcohol Abuse and Alcoholism. "Family Study of Neuropsychological Risk for Alcoholism." (R01 AA012217); Robert A. Zucker (Principal Investigator); Maria M. Wong (Co-investigator), June 2000 – May 2005. \$1,409,049 total costs.

National Institute on Alcohol Abuse & Alcoholism. "Risk & Coping in Children of Alcoholics: Years 16-20." (R01 AA007065), Robert A. Zucker (Principal Investigator), Maria M. Wong (Co-investigator), February 2003 – December, 2007. \$ 4,864,026 total costs.

Others

Idaho State University, Office of Research. "Sleep problems and neurocognitive processes of adolescent athletes with concussion." Maria M. Wong, Kandi Turley-Ames, Caroline Faure & Tina Miyake (Principal Investigators). November 2015 – November 2016. \$ 34,809 total costs.

Idaho State University, Faculty Research Council. "Sleep problems, substance use, and suicidal behaviors in young adults." Maria M. Wong (Principal Investigator). November 2010 – December 2012. \$ 4,970 total costs.

Idaho State University, WeLEAD, funded by the National Science Foundation (SBE 0620073). "Sleep physiology and risk for alcohol problems in children of alcoholics and controls in rural areas: A pilot study." Maria M. Wong (Principal Investigator). April 2010 – August 2010. \$ 3,450 total costs.

Idaho State University, WeLEAD, funded by the National Science Foundation (SBE 0620073). "Academic goals, self-regulation, self-efficacy and math performance among high school students: Gender differences and similarities." Maria M. Wong (Principal Investigator). July 2007 – May 2010. \$ 14,982 total costs.

Idaho State University, Instructional Technology Resource Center and Office of Academic Affairs. "Using IPODs in classroom instruction". Maria M. Wong (Principal Investigator). Classroom instruction grant awarded on a competitive basis. September 2006 – May 2007.

Idaho State University, University Research Council. "Sleep problems, onset of substance use and abuse, negative moods and academic performance". Maria M. Wong (Principal Investigator). Faculty research grant awarded on a competitive basis. July 2006 – June 2007. \$12,050 total costs.

Idaho State University, Faculty Research Council. "Relationships among sleep problems, onset of substance use and abuse, negative moods and academic performance in adolescence and young adulthood". Maria M. Wong (Principal Investigator). Faculty research grant awarded on a competitive basis. July 2006 – April 2007. \$4,570 total costs.

Idaho State University, Research Coordinating Council. "Sleep problems, onset of substance use and abuse, negative moods, and academic performance." Maria M. Wong (Principal Investigator). Research grant awarded on a competitive basis. January 2006 – May 2006. \$3,500 total costs.

Wesleyan University. "Independence vs. Interdependence View of the Self: The Source of Self-esteem among Caucasian Americans, Asian-Americans, and Chinese," Maria M. Wong (Principal Investigator). Faculty research grant awarded on a competitive basis. January 1994 – August 1994. \$5,000 total costs.

TEACHING EXPERIENCE

2004 – present

Idaho State University
Undergraduate courses: Child Development
Measurement & Test Construction
Introductory Psychology
Psychology of Adolescence

Graduate courses: Multivariate Statistics & Research Design
Statistics & Research Design II
Advanced Developmental Psychology

Mentoring of graduate students: chaired 9 dissertations and 10 theses;
member of over 30 dissertation and thesis committees.

Supervision of undergraduate students: About 2-3 undergraduate students
every academic year.

1999-2004

University of Michigan

Maria M. Wong, Ph.D.

January 2018

Taught seminars and workshops to graduate students, postdoctoral fellows, and medical school faculty: Latent Growth Modeling, Missing data in longitudinal studies; Data analysis and management in longitudinal studies

Supervision: undergraduate students on data management

Consultation: graduate students, postdoctoral fellows and faculty members on longitudinal data analysis.

1997 University of Michigan
Undergraduate courses: Introductory Psychology, Developmental Psychology.

1992-1994 Wesleyan University
Undergraduate courses: Developmental Psychology,
Research Methods in Social Development & Gender,
Gender, Culture & Human Development,
Social and Personality Development,
Culture, Context, & Development.

Mentoring of undergraduate and graduate students: chaired 1 undergraduate honor thesis and member on 1 master thesis.

Symposium conducted at the annual scientific meeting of Research Society on Alcoholism, Orlando, FL.
36. **Wong, M. M.**, Puttler, L., & Zucker, R. A. (2013, May). Sleep problems, behavioral control and resilience in children of alcoholics. Poster session presented at the annual meeting of Association for Psychological Science, Washington, DC.
37. Robertson, G. C.* & **Wong, M. M.** (2013, May). Sleep problems and executive functions in school-age children. Poster session presented at the annual meeting of Association for Psychological Science, Washington, DC.
38. Dyson, R.B.* , Robertson, G.C.* , Hendrickson, K. L.* & **Wong, M. M.** (2013, April) Peer prosocial behaviors, externalizing problems, and effortful control in adolescence. Poster session presented at the annual meeting of the Western Psychological Association, Reno, CA.
39. Curran, M.* , Robertson, G. C.* , Dyson, R. B.* & **Wong, M. M.** (2013, April). Cross-cultural evaluation of the relationship between pro-social behaviors and internalizing behaviors. Poster session presented at the annual convention of the Western Psychological Association, Reno, CA.
40. **Wong, M. M.**, Brower, K. J., Puttler, L., & Zucker, R. A. (2012, June). Resilience in children of alcoholics and controls: Individual characteristics and parent-child interaction. Poster session presented at the Annual Scientific Meeting of Research Society on Alcoholism, San Francisco, CA.

41. **Wong, M. M.** & Rowland, S. E.* (2012, June). Motivational orientations, effortful control and alcohol use. Poster session presented at the annual scientific meeting of Research Society on Alcoholism, San Francisco, CA.
42. Robertson, G. C.,* White, J.,* & **Wong, M. M.** (2012, May). Relationship between actigraphy and self-report of sleep problems in college students. Poster session presented at the annual meeting of the Association for Psychological Science, Chicago, IL.
43. Dyson, R. B.,* Robertson, G. C.,* & **Wong, M. M.** (2012, April). The relationship between impersonal orientation, effortful control, and substance use. Poster session presented at the annual meeting of Western Psychological Association, San Francisco, CA.
44. Hendrickson, K. L.* & **Wong, M. M.** (2012, April). Impulsivity mediated the longitudinal relationship between insomnia and drug use in adolescence. Poster session presented at the annual meeting of Western Psychological Association, San Francisco, CA.
45. Hendrickson, K. L.,* Robertson, G. C., & **Wong, M. M.** (2012, April). The relationship among sleep problems, impulsivity and school problems during adolescence. Poster session presented at the annual meeting of the Idaho Psychological Association, Sun Valley, ID.
46. Bonci, A.,* Westerhaus, K.,* & **Wong, M. M.** (2012, March). The moderating effect of demographic characteristics on the relationship between parent-child variables and effortful control in emerging adults. Poster session presented at the biennial meeting of the Society for Research on Adolescence, Vancouver, Canada.
47. Hendrickson, K. L.,* **Wong, M. M.**, & Westerhaus, K.* (2012, March). Parental closeness predicted effortful control and executive functioning in emerging adults. Poster session presented at the biennial meeting of the Society for Research on Adolescence, Vancouver, Canada.
48. Rowland, S. E.,* Niemeyer, A.,* & **Wong, M. M.** (2011, May). Effortful control as a mediator of the relationship between contextual factors and adjustment problems during early adolescence. Poster session presented at the annual meeting of the Association for Psychological Science, Washington, D.C.
49. Bonci, A.,* White, J.,* Hjelseth, T.,* Westerhaus, K.* & **Wong, M. M.** (2011, May). The role of parental involvement on alcohol use in emerging adults. Poster session presented at the annual meeting of the Idaho Psychological Association, Sun Valley, ID.
50. Hjelseth, T.,* White, J., * Bonci, A., * Westerhaus, K. * & **Wong, M. M.** (2011, May). The correlation between self-reported effortful control and performance on effortful control tasks. Poster session presented at the annual meeting of the Idaho Psychological Association, Sun Valley, ID.
51. **Wong, M. M.** (2011, April). Sleep problems and suicidal behaviors in a national sample of adolescents. Poster session presented at the annual meeting of the Rocky Mountain Psychological Association, Salt Lake City, UT.
52. Hendrickson, K. L.,* White, J.* & **Wong, M. M.** (2011, April). The longitudinal relationship between insomnia, impulsivity and alcohol problems. Poster session presented at the annual meeting of the Western Psychological Association, Los Angeles, CA.
53. **Wong, M. M.**, Brower, K. J., & Zucker, R. A. (2010, June). Sleep problems and suicidal behavior in children of alcoholics and controls. Poster session presented at the annual meeting of the Research Society on Alcoholism, San Diego, CA.

54. Rowland, S.E.* & **Wong, M. M.** (2010, May). Autonomy: Relation to inhibitory control and alcohol use outcomes. Poster session presented at the annual meeting of the Idaho State Psychological Association, Sun Valley, ID.
55. Rowland, S.E.* & **Wong, M. M.** (2010, April). Causality orientations and alcohol use among college students. Poster session presented at the Kasiska College of Health Professions Conference: Communities and KCHP: Advancing Idaho Health Care Together, Pocatello, ID.
56. **Wong, M. M.**, Brower, K. J., & Zucker, R. A. (2009, June). Effects of childhood sleep problems and parental alcoholism on binge drinking in adolescence. Poster session presented at the annual meeting of the Research Society on Alcoholism, San Diego, CA.
57. **Wong, M. M.** (2009, June). Achievement goals and alcohol use in adolescence. Poster session presented at the annual meeting of the Research Society on Alcoholism, San Diego, CA.
58. Puttler, L. I., **Wong, M. M.**, Jester, J. M., Buu, H.E., Fitzgerald, H. E., & Zucker, R. A. (2009, June). COA adaptation during the high school years as a function of early behavioral risk and family adversity. *Alcoholism: Clinical and Experimental Research*, 33, Supplement, P444.
59. **Wong, M. M.**, Brower, K., & Zucker, R. A. (2009, April). Childhood sleep problems predict poor behavioral control and substance use in boys. Poster session presented at the biennial meeting of the Society for Child Development, Denver, CO.
60. Johns, R. K.* & **Wong, M. M.** (2009, April). Self-regulation mediates the relationship between mastery goal and academic performance. Poster session presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
61. Niemeyer, A.* & **Wong, M. M.** (2009, April). Academic competence in Hispanic adolescents: Self-regulation mediates the effects of parental involvement on academic achievement. Poster session presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
62. Stratton, H. L.* & **Wong, M. M.** (2009, April). Effortful control and academic achievement in elementary school students. Poster session presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
63. Westerhaus, K. J.* & **Wong, M. M.** (2009, April). Parenting style, effortful control, and academic performance. Poster session presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
64. Rowland, S.* & **Wong, M. M.** (2008, October). Self-report of effortful control as a predictor of executive functioning and academic performance in adolescence. Poster session presented at the annual meeting of the Snake River Association of Neuroscience, Pocatello, ID.
65. **Wong, M. M.** (2008, July). Sleep problems, self-regulation and substance use among adolescents. Poster session presented at the annual meeting of the Research Society on Alcoholism and International Society for Biomedical Research on Alcoholism Joint Scientific Meeting, Washington, D.C.
66. **Wong, M. M.**, Nigg, J., Heitzeg, M., Puttler, L., Buu, A., & Zucker, R. (2008, May). Childhood sleep problems predict poor response inhibition and onset of alcohol use. Poster session presented at the annual meeting of the American Psychological Society, Chicago, IL.
67. Johns, R. K.* & **Wong, M. M.** (2008, April). The relationship between regulatory styles and academic goals in adolescents. Poster session presented at the annual meeting of the Rocky Mountain Psychological Association, Boise, ID.

68. Stratton, H.,* & **Wong, M. M.** (2008, March). Effortful control, self-efficacy and substance use among adolescents. Poster session presented on the Brain Awareness Day, Snake River Association for Neuroscience, Pocatello, ID.
69. Westerhaus, K.,* & **Wong, M. M.** (2008, March). The effect of effortful control on academic performance. Poster session presented on the Brain Awareness Day, Snake River Association for Neuroscience, Pocatello, ID.
70. **Wong, M. M.** (2007, May). Relations among academic goals, self-regulatory styles, substance use and academic performance in adolescents. Paper presented in the 3rd International Conference on Self-Determination Theory, Toronto, Canada.
71. **Wong, M. M.** (2007, April). Structural Equation Modeling. Teaching seminar at the Alcohol Research Center, University of Connecticut, Farmington, CT.
72. Niemeyer, A.,* & **Wong, M. M.** (2007, April). Academic competence in Hispanic adolescents: The relationships among parental involvement, *familismo* and acculturation. Poster session presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
73. **Wong, M. M.**, Brower, K., & Zucker, R. A. (2007, April) Childhood Sleep Problems and Adolescent Behavioral Problems. Poster session presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
74. **Wong, M. M.**, & Danielson, J.* (2006, September). *Gender differences in the effects of sleep problems on substance use and academic performance in college students*. Poster session presented at the annual meeting of the Snake River Association for Neuroscience, Jackson, Wyoming.
75. **Wong, M. M.**, Heath, N.,* Besa, T.,* Danielson, J.,* Moser, J.,* Niemeyer, A.,* & Westerhaus, K.* (2006, May). *Sleep problems and substance use in college students*. Poster session presented at the annual meeting of the Idaho Psychological Association, Sun Valley, Idaho.
76. **Wong, M. M.**, Brower, K., & Zucker, R. A. (2005, April). *Sleep problems in early childhood and early onset of alcohol use and behavioral problems in adolescence*. Poster session presented at the annual meeting of the Snake River Association for Neuroscience, Pocatello, Idaho.
77. Glass, J. M., Nigg, J. T., **Wong, M. M.**, Puttler, L. I., Jester, J. M., Adams, K. M., Fitzgerald, H. E., & Zucker, R. A., (2005, June). *Inhibitory control: Effects of alcoholism and cigarette smoking on response inhibition*. Poster session presented at the annual meeting of the Research Society on Alcoholism, Santa Barbara, California.
78. Martel, M. M., Nigg, J. T., **Wong, M. M.**, Jester, J. M., Puttler, L. I., Glass, J. M., Adams, K. M., Fitzgerald, H. E., & Zucker, R. A., (2005, June). *Poor response inhibition as a predictor of drinking and drug use*. Poster session presented at the annual meeting of the Research Society on Alcoholism, Santa Barbara, California.
79. Zucker, R. A., Fuller, B. E., McAweeney, M. A., Nolen-Hoeksema, S., & **Wong, M. M.** (2005, June). Family effects on stability and change of alcoholism diagnosis over time: Impact of children and impact of marital partners. In B. McCrady (Chair), *Social environmental influences on the development and resolution of alcohol problems*. Paper presented at the Annual Meeting of the Research Society for Alcoholism, Santa Barbara, California.
80. **Wong, M. M.**, Nigg, J. T., Puttler, L. I., Fitzgerald, H. E., Jester, J. M., Glass, J. M., Adams, K., Zucker, R. A. (2005, June). *Behavioral regulation and resiliency in the onset of alcohol and illicit drug use: A prospective study from preschool to adolescence*. In R. A. Zucker (Chair), Predicting risk drinking

outcomes longitudinally. Paper presented at the Annual Meeting of the Research Society for Alcoholism, Santa Barbara, California.

81. **Wong, M. M.**, Brower, K., & Zucker, R. A. (2005, April). *Sleep problems in early childhood and early onset of alcohol use and behavioral problems in adolescence*. Poster session presented at the Biennial Meeting of the Society for Research in Child Development, Atlanta, Georgia.
82. **Wong, M.M.**, Fitzgerald, H.E., Puttler, L.I., & Zucker, R.A. (2004, June). *Effects of parental alcoholism and suicidal ideation on adolescent drinking and suicidal ideation*. Poster session presented at the annual meeting of the Research Society on Alcoholism, Vancouver, Canada.
