**Note the Following as You Pursue this Program:**

- 1) Please see our web site for more information at: <https://www.isu.edu/spel/school-psychology/>
- 2) You must be *admitted* to the Graduate School and *accepted* by the School Psychology Program to *register* for courses in any term. Follow this schedule to register for courses, do not self-advise, please check with your School Psych Program advisor & complete your **Program of Study** promptly! This program follows a specific "sequence" of courses showing when and the order they are available, please follow the sequence.
- 3) "AO" = Asynchronous Online: No specific physical classroom or time required to meet. It is 100% online.  
"SO" = Synchronous Online: There is a set up time to meet virtually.

- 3) SCPY 6668 and 6669 are field experience courses. The instructional delivery method is Synchronous Online (SO) but there are practicum requirements (e.g., assessment, intervention) in a physical school site.
- 4) The terminal degree for our program is the Ed.S. School Psychologist, which will allow the opportunity for state certification and becoming a Nationally Certified School Psychologist (NCSP). The M.Ed. may afford you a master's degree and employment opportunities that support the testing role.
