Dice Works

Description:

Develop the skills introduced in Shuffling Into Math and All Hands on Deck with cards and multi-sided dice. This book includes 80 games that use 10-sided, 12-sided and 20-sided dice, teaching counting, probability, all operations, place value, mixed operations and graphing. Great for all elementary grades. Comes with two each of 10-sided, 12-sided and 20-sided dice.
