Accelerate Math Program Overview

**Learning Strand (Today)**
- What is Acceleration?
- What changes can I make right now?
- What support will be available to help me make these changes?
- Build the IPLP

**Collaboration Strand**
- Zoom: 1.5 hour each month
- Pre-sessions: < 1hour
- Learning Goals
- Activating Prior Knowledge
- Building Vocabulary
- Engaging Tasks
- Giving Students Greater Responsibilities
- Scaffolding

**Coaching Strand**
- Apply to work with math specialists
- Stipend
- Coaching focused around supporting the learning from Workshop and Monthly Meetings

Collaboration Strand Registration
Coaching Strand

Purpose:
Helping teachers to develop mathematically proficient students by improving best practices.

Who is this for?
This can be individual or include whole teams, supporting PLCs and professional learning as a staff.

What will you learn?
To implement and reflect on The Acceleration Framework with an emphasis on “Just in Time” learning.

Coaching will be designed around teacher goals for growth and/or the learning from the Collaboration Strand.

- **Low Intensity**
  - Purpose: 3-4 site visits a year to goal-set, observations, overall teacher or environment assessment with follow up.

- **Moderate Intensity**
  - Purpose: focused on improving classroom instructional practices; might consist of co-teaching, co-planning, modeling - every 1-2 months.

- **High Intensity**
  - Purpose: regular classroom coaching focusing on improving classroom instructional practices - up to twice-a-month on-site visits with regular virtual/in person support.

Coaching Strand Application
