## Biological Sciences Laboratory Instruction

Regardless of a student's future pursuits in the field of biological sciences, the introduction to biological processes and protocols in a laboratory setting can only expand a student's view of the world. The effective implementation of laboratories is necessary if students are to acquire a basic foundation in the biological sciences and a broad worldview.

### COVID-19 FAQs for Lab

Please contact [Information Technology Services \(ITS\)](#) at (208) 282-HELP or [HELP@isu.edu](mailto:HELP@isu.edu)
