

## CoSE Budget Process Forum

A forum to discuss the development of CoSE's FY21 budget will be held on Tuesday, February 18, from 3:30-5:00 p.m. in the Salmon River Suites. Glen Nelson, Vice President of Finance and Business Affairs, and Jennifer Steele, Assistant Vice President for Budget, Planning and Analysis, will discuss the process for developing the FY21 budget and faculty and staff will be able to make comments or ask questions.

For a list of CoSE events, check out the [College Event Calendar](#). Click an event to get more details. Updates can also be found on Facebook, Twitter and Instagram @IdahoStateUCoSE.

January 27-31, 2020		
Department/Program	Event	Time & Location
Physics	Colloquium: <i>Optimizing Magnetic Insulation in Vacuum Transmission Lines</i>	Monday, Jan. 27 4:00-5:00 pm PS128
Geosciences	<i>The evolution of an economic giant: depositional, diagenetic, and tectonic history of the Permian Phosphoria Formation</i> Marc Hendrix University of Montana	Wednesday, Jan. 29 4:00-5:00 pm PS 108
Nuclear Engineering	<i>An overview of recent post-irradiation examinations of nuclear fuels within the Advanced Fuel Campaign (AFC) and the Nuclear Science User Facility (NSUF)</i> Dr. Fabioloa Cappia Idaho National Laboratory	Wednesday, Jan. 29 4:00-5:00 pm LIB 32 and TAB 282 in IF
February 3-7, 2020		
Department/Program	Event	Time & Location
Physics	Colloquium: <i>Detectors for Parity Experiments at JLab: PREX-II, CREX, and MOLLER</i>	Monday, Feb. 3 4:00-5:00 pm PS 128
Geosciences	Laura Waters MSA Distinguished Lecturer Sonoma State University	Wednesday, Feb. 5 4:00-5:00 pm PS 108
Biological Sciences	Job Seminar Warren Cardinal-McTeague	Thursday, Feb. 6 12:00-1:00 pm Lecture Center 10
February 10-14, 2020		
Department/Program	Event	Time & Location
Physics	Colloquium: <i>Rapid Chemical Separations for Rare Isotope Research at INL</i>	Monday, Feb. 10 4:00-5:00 pm PS 128
Geosciences	<i>Mudstone Revolucion</i> Dave Schwartz Idaho Dept. of Lands	Wednesday, Feb. 12 4:00-5:00 pm PS 108
Chemistry	Chemistry Seminar Dr. Ryan Kelley BYU	Friday, Feb. 14 1:00-2:00 pm PS 144
