Bengal STEM Day

Bengal STEM Day - Thursday, February 12, 2026

Bengal STEM Day will be held on Thursday, February 12, 2026. Hosted by Idaho State University's College of Science and Engineering, Bengal STEM Day is designed to inspire middle and high school students' interest in the science, technology, engineering, and mathematics fields. The event features various activities, including hands-on workshops and demonstrations, led by ISU faculty, students, and local STEM professionals.

We plan to tentatively open registration for Bengal STEM Day in December. Thank you for your interest in the event. Space is limited, so plan to register early. Free lunch tickets for your group will be based on the information provided by registered teachers and students.
